

- ♥ The real-time accreditation & ranking solution
- ♥ Zero Duplication Promise: Fully integrated solution for all the digital needs of educational institutions
- ♥ Real-time Drilldown Dashboards for all
 - management, students, parents, academic & admin staff

Our Institution's vision of running a college as a software company was made true by Heraizen ... We had evaluated over ten higher education management systems. After thorough research and several demo sessions, we were convinced that Heraizen is the only solution capable of supporting our institution's vision for students and its success...

Heraizen - there seems to be nothing it can't do, transformational! ”

- Chairman of a reputed group of institutions

1
